

My Universe

My Universe, powered by Reckiapp

Find the revenue hiding in relationships you already have.

Relationship intelligence for recruitment firms. Every relationship in orbit, rated from the seven stamps behind it, with the actions to move it on running right where the insight is.

What it does

Orbit map

Every dot is a relationship: angle groups the brand, distance is the rating, size is placed value.

Lenses that find revenue

Going cold and Stalled in process surface lapsed relationships you have already paid to win.

Ratings you can explain

The seven stamps behind every star rating, and what is missing, so consultants act on it.

Actions in place

Email, call, meeting, hotlist and longlist - each one logs an activity and moves the rating.

Firm-wide reach

See who already has the door open at any account.

Bulk actions

Run the same action across a selection, with off-limits warnings.

Pricing - one flat monthly fee, no per-user charges
