

Referra

Referra, powered by Reckiapp

Referrals that turn into placements – and rewards that get paid.

Referra runs the agency's referral programme from a shareable link through to payout. Candidates, contractors, staff and clients can refer people or new clients. Rewards are tracked through a qualifying period and approved in one click.

The screenshot shows the Referra dashboard within the Reckiapp application. The top navigation bar includes links for Home, Candidates, Contacts, Accounts, Jobs, Placements, and Referra (which is currently selected). The dashboard header for Referra includes a 'Share a referral link' button and an 'Add referral' button. Below this, there are three tabs: 'Referrals' (4), 'Rewards' (1), and 'Programme'. The main content area displays four summary cards: '6 Referrals received', '4 In process', '1 Placed or won from referrals', and '£750 Rewards paid'. Below these cards is a filter bar with buttons for 'All', 'Received', 'Contacted', 'Interviewing', 'Placed or won', and 'Not suitable'. At the bottom, there is a table with columns for 'Referred', 'Referred by', 'For', 'Progress', and 'Actions'. A single row is visible with a 'Not suitable' status in the 'Progress' column.

What it does

Counters

Referrals received, referrals in process, referrals placed or won, and rewards paid.

Referral pipeline
